I am currently a customer of Tega Cay Water Service.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The current level of service is horrible and the cost is outrageous. TCWS are the highest of all water providers in the surrounding community. Additionally, the consistently cause spillage in to the environment. It unfathomable that such abysmal performance should be rewarded with a rate increase, especially one as egregious as this one.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I am a tax paying citizen in Tega Cay and am duly represented by council. They are responsible for appearing to testify. If my assistance is needed they are free to contact me directly.
